Dear Mrs Rinehart

To you, and everyone at the Rinehart Medical Foundation, thank you.

I couldn't be more grateful for your incredible gift, helping to ensure that we will be there for every patient who needs us through COVID-19 and beyond.

Your generous donation will help purchase vital medical equipment, fund new diagnostic & telehealth technology, and support a lasting legacy of an electronic medical record. Thank you.

Warmest regards,
Meredith Stark
(CEO RFDS Qld Section)
