- Accurate recording of stock numbers for the livestock information system
- Providing leadership, supervision and training of stock camp team members
- Maintaining and developing facilities and improvements
- Monitoring and responding to land and environmental issues
- Assisting with purchasing.

### **To be successful in this role, you will have**

- Experience in the movement, handling and processing of cattle, using calm methods with the advantage of digitalised communication, improved weaner cradles, cattle crushes and yard shading
- Sound horsemanship and motorbike skills
- Proven livestock assessment and husbandry experience
- Demonstrated leadership and supervisory skills
- A good grasp of technology and computer literacy
- Ability to promote and maintain safe work practices
- Good understanding of animal welfare practices
- Ability to record information and communicate effectively in the workplace
- Hold a current Class C Drivers Licence (truck licence an advantage, or be willing to obtain)
- Hold a Motorbike Licence (preferred or be willing to obtain)
- A genuine passion for agriculture.

### **What we offer you**

- Air-conditioned, single room accommodation
- Quality home-cooked meals
- Certainty of remuneration commensurate with experience
- Training, career development and advancement opportunities in our widespread organisation
- Friendly, supportive team and community environment

This role offers a great opportunity to join an exciting, industry leading Agribusiness, with scope for advancement after training and experience.
