

About Hancock Agriculture

A world-class agribusiness, Hancock Agriculture, incorporating S. Kidman & Co Pty Ltd and Hancock Prospecting Pty Ltd Services, has an exciting position available for an experienced Head Stockperson to join our operations at Durrie, Queensland.

Hancock Agriculture has a long history in Agriculture. With over 30 properties across Australia, spanning 10 million hectares, we are one of the country's largest producers of beef with a herd of over 320,000.

Hancock Agriculture provides you a career in an exceptional organisation you can be proud of, whose culture includes, "happy healthy cattle are the best cattle". Using practical technology, we are leaders in responsible safety.

About the property

Durrie Station, situated in the Channel Country of South West Queensland, spans 6,600 km² and on average, runs approximately 9,000 head of cattle. The property has extensive flood out areas within the floodplain of one of the most reliable rivers in the channel country. Furthermore, the property offers a good balance of higher ground to ensure cattle safety is maintained during periods of flooding, allowing cattle to continue to thrive while awaiting access to the floodplains.

About the role

Reporting to the Station Manager, the Head Stockperson will assist with planning, implementing and evaluating the livestock program and related station operations. Your key duties will include:

- Supervising and undertaking effective and timely herd management, including mustering programs
- Accurate recording of stock numbers for the livestock information system
- Providing leadership, supervision and training of stock camp team members
- Maintaining and developing facilities and improvements
- Monitoring and responding to land and environmental issues
- Assisting with purchasing.

To be successful in this role, you will have

- Experience in the movement, handling and processing of cattle, using calm methods with the advantage of digitalised communication, improved weaner cradles, cattle crushes and yard shading
- Sound horsemanship and motorbike skills
- Proven livestock assessment and husbandry experience
- Demonstrated leadership and supervisory skills
- A good grasp of technology and computer literacy
- Ability to promote and maintain safe work practices
- Good understanding of animal welfare practices
- Ability to record information and communicate effectively in the workplace
- Hold a current class C driver's licence (truck licence an advantage, or be willing to obtain)
- Hold a motorbike licence (preferred or be willing to obtain)
- A genuine passion for Agriculture.

What we offer you

- Air-conditioned, single room accommodation
- Quality home-cooked meals
- Training, career development and advancement opportunities
- Friendly, supportive team and community environment

This role offers a great opportunity to join an exciting, industry leading Agribusiness, with scope for advancement after training and experience.
