

## **Station Cook – HELEN SPRINGS**

Full-time

### **About Hancock Agriculture**

A world-class agribusiness, Hancock Agriculture, incorporating S. Kidman & Co Pty Ltd and Hancock Prospecting Pty Ltd Services, has a position available for an experienced Station Cook to join our operations at Helen Springs Station, Northern Territory.

Hancock Agriculture has a long history in Agriculture. With over 30 properties across Australia, spanning 10 million hectares, we are one of the country's largest producers of beef with a herd of over 320,000.

Hancock Agriculture provides you a career in an exceptional organisation you can be proud of, whose culture includes, "happy healthy cattle are the best cattle". Using practical technology, we are leaders in responsible safety.

### **About the property**

Helen Springs Station, situated in the Barkly Region of the NT, is a 5,626km<sup>2</sup> breeding property which runs up to 27,000 head of Brahman/Charbray cross cattle.

Lush green gardens and lawns surround the station complex, which includes a swimming pool and social club. At Helen Springs, our team enjoys a friendly and supportive workplace where career and personal growth is encouraged. Industry professionals conduct various training activities during the course of the year, ensuring everyone receives the best opportunity to develop their skills and further their career in the industry. Mustering operations and general station work intertwines with social events across the Northern Territory.

### **About the role**

Reporting to the Station Manager, your key duties will include but not be limited to the following:

- Menu and food stores planning
- Assisting with grocery list preparation, ordering and maintaining adequate supplies
- Preparing tasty, nutritious home-style meals for station team members and visitors as required
- Providing variety to daily and weekly meals
- Maintaining the kitchen, dining room and food storage areas in a clean, tidy and hygienic state
- Maintaining kitchen utensils and cooking equipment in good order
- Other ad-hoc duties such as light domestic tasks as required.

### **To be successful in this role, you will have:**

- Demonstrated experience in a similar role, cooking for small to medium size live-in groups and providing meals to schedule
- Passion for producing quality, wholesome and satisfying food
- An understanding of dietary nutrition and food hygiene practices
- Ability to work in a safe manner
- Literacy and numeracy skills sufficient to comprehend operational and safety instructions and related rules, policies and procedures
- High level of organisation skills and ability to communicate clearly
- A genuine passion for agriculture.

### **What we offer you:**

- Air-conditioned, single room accommodation
- Certainty of remuneration commensurate with experience
- Training, career development and advancement opportunities in our widespread organisation
- Friendly, supportive team and community environment.
