

Fixed-Wing Pilot & Station Hand | HELEN SPRINGS, NT

Full-time position

We have an opening for a Fixed-Wing Pilot / Station Hand to join our operations at Helen Springs, NT.

About Hancock Agriculture

Hancock Agriculture, combining Hancock Pastoral, Wagyu Operations & S. Kidman & Co. Pty Ltd, has a long history in agriculture with more than 20 properties across Australia, spanning around six million hectares. With a herd of over 230,000, we are proudly one of the country's largest producers of Wagyu and commercial cattle. As a combined business, we offer our people the unique opportunity to be part of a vertically integrated farming operation, which means we own every step of the process, from breeding, backgrounding, and grainfeeding, through to sales of finished product, to ensure the highest standards of animal husbandry, traceability and quality assurance are performed.

Hancock Agriculture provides you a career in an exceptional organisation that is entering an exciting period of change, continued innovation and growth. Be a part of our journey in an organisation you can be proud of and where we value the safety and welfare of our people, animals and environment.

About the Property

Helen Springs Station, situated in the Barkly Tablelands in the NT, is a 5,600km² breeding property which runs up to 27,000 head of cattle. The nearest town is Tennant Creek. Mustering operations and general station work intertwines with social events across the NT. Lush green gardens and lawns surround the station complex, which includes a swimming pool and social club. At Helen Springs, our team enjoys a friendly and supportive workplace where career and personal growth is encouraged.

Key Responsibilities:

- aerial stock mustering
- checking of stock and facilities
- flying company staff between properties
- when not engaged in aerial operations you will work as a Station Hand, assisting with day-to-day station activities including working with livestock
