

# Let Pensioners Work!

**Cut Centrelink red tape, don't cut their pensions!**

**Australia has critical labour shortages across multiple sectors.** Fewer than 76,000 pensioners (3%) currently work, but many would work (or work more) if they did not lose 50c in the dollar when they work more than one day a week.

**WIN** for Business  
**WIN** for the Economy  
**WIN** for the Country  
**WIN** for Older Australians  
**EVERYONE WINS!!!**
